Detailed Project Description and Justification:

This project would provide bear resistant trash containers.

With the ever increasing urban bear population, the need for these containers is a life and safety issue for the residents and visitors of Soldotna.

During the fishing season, bear sightings are even more prevalent inside the city limits.

Project Timeline:

Upon notification of inclusion in the budget, these containers would be purchased and placed in various locations around the community.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:
